

Year 3 NAPLAN Practice sessions

I hope the year has started well for your child and that they are thriving at school in 2025!

If your **child is in Year 3**, they will be sitting their **first NAPLAN test** next month (12-24 March 2025), which can be a daunting prospect.

To this end, Your Tutor in Armidale is running two practice sessions on the **1/3/25 and 8/3/25** at our centre in town from 2 to 3.30pm. These sessions will be conducted by trained teachers.

Being properly prepared means being more relaxed and confident and therefore more likely to experience success on the day!
